

UniPro+Plus

Take the
Headache
out of

Payroll Processing & Tax Management

Processing payroll can be time-consuming and complex.

Understanding tax implications would give any busy foodservice professional a headache.

25% Discount on Payroll Processing*

With **UniPro+Plus**, we can take the headache out of payroll processing by offering you a payroll processing management solution, including a 25% discount* off payroll processing services. This program is available only through **UniPro+Plus**, a comprehensive operator services program, provided by UniPro Foodservice.

Through the UniPro Foodservice Distributor network, UniPro Foodservice has teamed with Sheakley PaySystems, offering the latest technology for payroll processing and tax management. Sheakley offers flexible payroll processing and reporting services to a variety of businesses nationwide including several foodservice industry clients such as Burger King, Denny's, Fazoli's, Golden Coral, IHOP, The Melting Pot, Outback Steakhouse, and Subway to name a few.
